

Boo Radley Arts Activity

ASSIGNMENT

For the rest of class, you will create some piece of art that relates to Boo Radley in some way. You can choose to do one of the following:

- **Visual Art:** Draw a picture of Boo Radley by himself or a scene from Boo Radley's life story. The image should reflect what you think he looks like OR it should reflect what Jem, Scout, and Dill think he looks like.
 - NOTE: This needs to be more than stick figures since you have other options from which to choose!
- **Short Story or Dramatic Scene:** Write a short story or dramatic scene about something from Boo's life, such as an incident from his time as a reckless youth or the moment he stabbed his father with scissors. The story or scene should reflect the information we have heard about Boo's life from the kids.
- **Rap or song:** Create a rap or song about Boo Radley and his life. Like the other options, it should reflect Boo's life accurately (or, as accurately as we can based on the facts we have).
